Diocesan Girls' School HK\$250 Million "The DGS Quest: Building on Excellence" Fundraising Campaign

Diocesan Girls' School Council today proudly launches **THE DGS QUEST : BUILDING ON EXCELLENCE** fundraising campaign to give the School a new facelift along with an enriched curriculum by the 2011 school year. To realise its vision of becoming a leading school in China and the Asia-Pacific region, the School Council has decided to embark on a major redevelopment programme scheduled to start in 2008.

A Campaign Committee has been set up, under the leadership of Mr. Kenneth Ting, to raise \$250 million for a variety of purposes, which will include modernizing the campus, upgrading resources and equipment, enhancement of curriculum, and increasing the scholarship fund, financial aid and staff development fund. The Diocesan Girls' School Education Foundation Limited, established under the leadership of Mr. David Eldon, former Chairman of HSBC as chair, and Mr. Vincent Cheng, current Chairman of HSBC as treasurer, will support the Campaign by performing due diligence in accepting and safeguarding funds and assets donated for the benefit of the School. Along with the Buildings Sub-Committee which will oversee the building project, these three Committees will be instrumental in guiding the development of the School in the next several years.

This fundraising campaign presents an opportunity for all alumni, parents and friends of DGS to participate at various gift levels in building excellence in one of the leading educational institutions in the region. DGS has truly come to a moment in its illustrious history when the actions taken in the next few years will greatly shape the future of a world-class education. All alumni, parents and friends of the School are invited to contribute to a place and time that will make a significant difference in the future generations of DGS girls.

To find out more about the campaign, please visit
