

PTA FUNDRAISING RAFFLE

The first major project undertaken by the PTA this school year was the raffle draw to raise funds for the school building project. By the grace of God, and with the spectacular efforts of the raffle subcommittee, as well as the enthusiastic support of old girls, teachers and staff, students and parents, \$800,000 was raised for the benefit of the School's redevelopment project.

As a further indication of how we have been truly blessed, the 3 top prizes were won by a teacher, a student and an old girl, thus representing the 3 pillars upon which the DGS family is built. A big thank you to everyone who helped to make our Raffles Draw a big success.

LEAP PARENTS SEMINAR AT DGJS

DGJS presented a series of LEAP workshops for Junior School parents over the course of 4 days (27th Oct, 29th Oct, 3rd Nov and 5th Nov). The speaker, Miranda Chan, is an experienced social worker and she guided our parents through topics ranging from how to handle rebellious children; how to be new generation parents; drug abuse and how to establish

better relationships with our children. 31 parents attended and they were presented with a certificate of participation on completion of the course. Our thanks to Ms Ngor for making the arrangements with LEAP.

Happy parents attending the LEAP Seminar
