Dear Parents and Girls,

Diocesan Girls’ School and Diocesan Girls’ Junior School are pleased to announce the resumption of school at the newly redeveloped campus at 1 Jordan Road on 1st September, 2011. After being away from our home campus for a period of 2 years and 4 months to allow whole-school redevelopment to take place, we are very happy to be able to return to our newly redeveloped campus at 1 Jordan Road on schedule.

We assure you that all possible steps are taken to provide every child with a safe, secure environment conducive to learning at our new campus and that our teachers are more than ready to provide effective teaching and learning, as was the case throughout our decantation period to Sham Shui Po and Tseung Kwan O campuses respectively. Understandably, a newly-completed project of such scale or magnitude nevertheless requires a period of time for systems monitoring, maintenance and touch-ups to ensure that this optimum learning environment is maintained. We therefore seek your continued support and understanding as ongoing minor works and touch-ups are carried out to fine-tune the campus during the course of the current academic year. We wish to stress that throughout this period, all measures are taken to ensure a safe environment for our girls and that there will be little, if any, disruption to effective teaching and learning.

This School Redevelopment Project has been completed in record time. May we express our sincere appreciation to all parties who have enabled this project to reach fruition; especially to you as parents, for your faith, trust and support in us in the education of your daughters throughout these past 2 years and 4 months as we make a better campus for them.

We look forward to your continued support and understanding as we endeavour to provide the best possible teaching and learning environment for our girls.

Yours faithfully,

Mrs. Stella Lau, J. P.
Headmistress
DGS

Mrs. E. Dai
Headmistress
