

With the arrival of a new year and the lifting of pandemic restrictions, a wide range of school events also resumed in full swing.

Patience and Humility Programme (April 2023)

In accordance with this year's Life Education theme of Patience and Humility, the DGJS community came together in April for three days of special activities to further understand and develop these qualities.

Spring Concert (March 2023)

Our instrumental groups entertained an enthusiastic audience of parents, teachers and schoolmates with a total of 11 impressive repertoires. During the concert, a video was also played to share with the audience our school choirs' success in the HKICF 2023 Competitions and their outstanding public performances held at the shopping mall Elements last Christmas.

Spring Concert

Visiting the Helena May (March 2023)

Our Junior Prefects visited the Helena May, where they were given a guided tour to learn more about the history of the institution and Hong Kong.

The girls listened attentively to Ms Ho as she talked about the exterior design of the Helena May.

To complete the quiz, our girls paid attention to Ms Sharma's sharing on the garden.

The tour started in the Blue Room where photos of the Helena May's founders were displayed.

The girls were enjoying the morning tea experience during which they were served with delicious finger sandwiches and pastries.

Chinese and English Author's Talks (January and March 2023)

本港知名兒童文學作家胡燕青老師到校分享「為甚麼要讀唐詩」，道出學習唐詩可以培養大家深度思考的好處。

Ms. Rachel Ip's talk on her book 'The Last Garden' and the topic of migration and refugees in war-torn areas in the world.

Math Fun Day (April 2023)

To enhance students' collaborative learning skills and interest in Mathematics, the Primary 5 students designed games for Primary 2 girls to revisit various topics with different strategies.

Visual Arts Events (May and June 2023)

M+ Museum Guided Tour

"City as Studio" Guided Tour

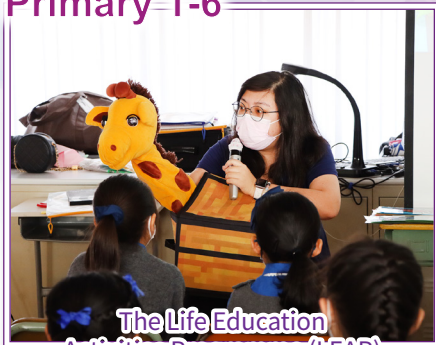

Learning about different artists and the creation of their masterpieces.

Learning about graffiti and street art across generations, styles and places.

Educational Activities on Science and Life Education

Primary 1-6

The Life Education Activities Programme (LEAP)

Primary 2

Close encounters with the adorable sea lions and seals at the Ocean Park

Meeting the unsung heroes of Hong Kong – police dogs

Primary 3

Learning about the green initiatives implemented at the Gold Coast Hotel

Primary 4

Listening to the Senior School girls present about the horseshoe crabs they took care of

Primary 5

Rolling up our sleeves to clean up the beaches in Hong Kong

Observing biological samples in a microscopy workshop

Learning about how probiotics aid the digestive system in a talk conducted by HK Yakult Co Ltd.

Sports Day

After a hiatus of three years, the whole school came together on 5th May 2023 to cheer for our athletes and houses!
