## Christian Mothers' Group Easter Session

The Christian Mothers' Group gathered on 30<sup>th</sup> March 2023 for Easter, in commemoration of the death of Jesus and His resurrection.

Members participated in activities including an Easter Egg Hunt, radio drama and other group games. While mothers thoroughly enjoyed the excitement of unearthing Easter eggs in the flowerbeds outside the Multi-purpose Room, there were also moments for members to reflect on the meaning of Easter, the sacrifice of Christ for humankind, and the significance of Jesus Christ's triumph over death.

## "Learning to Learn" – Chinese Homework Support Group

As parents, how can we train our daughters to become independent learners? How can we become capable coaches to support our daughters on their academic journey? To provide parents with the practical skills and emotional support needed to take up this role, a workshop for Primary 5 parents on "Learning to Learn 悅讀越有趣" was conducted by Dr. Renee Ip and her team in January and February 2023. Dr. Renee, an experienced speech-language consultant, and Chinese teacher Miss Y.M. Sze, introduced parents to essential Chinese learning skills, from vocabulary building to reading comprehension, and trained us to listen with empathy, and model positive thinking for our daughters.

## Seminar by Dr. Charles Yu on Understanding Adolescents

To better equip our parents to guide children during the challenging time of adolescence, the Seminar Sub-committee organized a seminar on 4<sup>th</sup> May 2023, and invited Dr. Charles Yu (余德淳博士) to talk to parents about how to access the inner world of adolescents, guide them to share their thoughts, and help them cope with adolescence stress. The resumption of normalcy allowed the seminar to be held on campus, while offering the flexibility for parents to attend it online as well. Parents learned useful tips from Dr. Yu on how to better understand the adolescent mindset and how to show our care and support in a way that can further strengthen the parent-child relationship.

## The Brownies – Chocolate Sale and Outing

After three years of suspension due to the pandemic, the Brownies resumed regular meetings in February 2023, with 36 Primary 3 - 6 girls joining the Brownies this year. The pack went to Hong Kong Disneyland for an outing in February to learn about the history and production of animation. Not only

did the girls get to draw Disney characters, they also learnt about the technology behind film production. Worthy of mention is that some Brownies activities did continue during the pandemic. In December 2022, the Brownies held two days of Chocolate Sale for SKH St Christopher's Home, and thanks to the girls' hard work and the enthusiasm of parents, raised over \$11,600, which was donated in full.

## 中文閱讀會及胡燕青老師到校分享

在疫情期間，中文閱讀會一直定期向家長和同學送上有趣且益智的課外讀物書單，希望為同學在這段不一樣的時間裏，帶來了心靈滋養。中文閱讀會將繼續為家長和同學搜羅和推薦合適的讀物，培養同學對閱讀中文書的興趣。

另外，中文閱讀會於 2023 年 1 月 17 日，邀請本港知名兒童文學作家胡燕青老師到校分享。胡老師分別為小一至小三及小四至小六的同學進行兩場講座，主題是「為甚麼要讀唐詩」。胡老師在低年級和高年級的場次，分別以幽默的口吻與台下同學互動，以及以日常生活例子說明，道出唐詩對認識文學技巧、培養思考深度和提升語文水平等的好處。她更語重心長地勉勵同學多讀紙本書籍，少看熒屏，同學都聽得津津有味。

## English Book Club

The English Book Club is blessed to resume face-to-face meetings this academic year. We are excited to meet our new members and to see everyone's faces while reviewing and discussing our booklist. Thanks to the tireless efforts of our members and the continuous guidance and support of our headmistress and teachers-in-charge, the review and selection of books were seamless during the pandemic. We look forward to discovering more children's titles, both in fiction and non-fiction, that would inspire our girls' love of learning.

## Tendering – School Bus and Uniform

Working together with the School Bus Sub-committee and the Uniform Sub-committee, the Legal Sub-committee has assisted with the tendering for the Schools' school bus service provider and uniform suppliers and has finalized their supplier contracts. In the coming year, the provider of the Schools' school bus service is Poon's Transportation Company, and the suppliers for school uniform are Aston Wilson and Kam Lun Tailors.

## Pr. 1 - Pr. 3 Outings

Due to the COVID-19 pandemic, it has been four years since we had our last Primary 1 - 3 outings in June 2019. This year on 16<sup>th</sup> June, we were especially excited to bring our Primary 1 - 3 girls on their first PTA

### Primary 1 - Noah's Ark

The Primary 1 girls visited the Noah's Ark in Ma Wan. It is the world's first full-scale Ark Replica. Girls experienced and learned about science, nature and history through a combination of workshops and interactive exhibitions.

### Primary 3 - The Hong Kong Heritage Museum

Our Primary 3 girls were given guided tours to learn about Hong Kong history, Hong Kong pop culture and our Chinese heritage, from Cantonese opera, Chinese art to the works of the master of martial-arts novels Jin Yong.

outings. We recruited over 70 parent-helpers to bring our girls to three different venues. The girls were thrilled to have a chance to engage in fun and educational activities outside the classroom.

## Primary 2 - The Boy's Brigade, Hong Kong

Anchor House in Ma Wan is home to a service unit of The Boy's Brigade, Hong Kong. During their visit, our Primary 2 girls learned about how to live in harmony with nature. They also gained a deeper understanding of team spirit through engaging in fun-filled team-building challenges.
