16. Environmental Education

a) Waste Paper Collection and Recycling Scheme

This was a year-round event to encourage everyone in school to recycle and reuse paper products. Unwanted plastic and metal items were recycled at school.

b) DGJS Eco-Star Class Campaign

As a class, students pledged to work on environmental protection throughout the school year. There were two environmental measures taken by the school and the third measure was chosen by the class. The class from each grade level that has performed best on their pledge and participated in the most number of environmental activities was the Eco-Star Class of the year.

c) The Environmental Ambassadors of the 2017-2018 school year made a pledge in front of the school. They promised to learn more about environmental issues and promote them. Through their actions and service to the school, they motivated their fellow schoolmates to care about the world and make it a better place.

The Environmental Ambassadors were:

Ashley Chan (Pr. 5A) Isabel Nip (Pr. 5C)

Sophia Joeng (Pr. 5A) Jamie Yue (Pr. 5C)

Emily Lam (Pr. 5C) Janice Leung (Pr. 5D)

Claris Hon (Pr. 5C) Magdalene Chan (Pr. 5D)

d) Plastic Bag Recycling Campaign

A plastic bag collection drive was set up in mid-September 2017. These plastic bags were made into yarns by the environmental ambassadors and then

passed onto Impact HK, a local non-profit organization that would weave the yarns into sleeping mats and give them to the homeless in Hong Kong.

e) Mooncake Tin Box Recycling Campaign and Mooncake Donation

A mooncake tin boxes recycling campaign was organised in September 2017 in order to reduce the amount of mooncake boxes disposed in our landfill sites.

A mooncake donation exercises was organised in September 2017. Students were encouraged to bring back excess mooncakes from home and these were donated to non-profit food banks.

f) Hong Kong No Air-Con Night organised by Green Sense

Our school took part in the activity on 30th September 2017.

g) Chinese New Year Red Packets Recycling Campaign

To encourage our students to adopt environmentally friendly practices, the School held a Chinese New Year red packets recycling campaign in February and March 2018. The used red packets collected this year were reused for making CNY decorations or recycled in the next school year.

h) Earth Hour 2018

DGJS participated in Earth Hour 2018 organised by WWF – Hong Kong, on 24th March. Besides turning off all the lights at home that evening between 8:30 p.m. and 9:30 p.m., we also ran a school version on 23rd March by turning off all the classroom lights during lunch. Students were also encouraged to join this event with their family at home and extend their action beyond the hour to protect the environment.

j) Gardening Club

1) The “One Student One Flower” Scheme launched in October was part of the school greening scheme, sponsored by the Leisure and Cultural

Services Department. Every student received a Yellow Alder seedling in October to take care of. After three months, class teachers chose a winner from each class.

All the teachers voted for the best plant from the class winners. The winners were as follows:

Charlotte Miu (Pr. 1D)

Sophie Cheung (Pr. 5B)

Yue Ching Wing (Pr. 5C)

Merit Prize: Bianca Kwan (Pr. 3B) and Vivian Lowe (Pr. 4B)

- 2) In November, new pots, soil and plants were purchased to replace some of the potted plants along the corridor on Levels 5, 6, 7 and 8 and on the white fence of the Middle Garden. Aglaonema (萬年青) and Devil's Ivy (黃金葛) were transplanted into pots by Gardening Club members.

In the months of October to November, students planted potatoes, spring onion, string beans, green beans, soy beans, beetroot, carrot, choy sum and Chinese cabbage.

- 3) In January, students learned how to grow narcissus (水仙花) from bulbs and were able to bring home their flowers for display during Chinese New Year.

Tangerines were picked from the plants purchased in previous years and students learned how to preserve the fruit after the Chinese New Year holidays.

- 4) In March and April, gardening girls planted different types of vegetables such as cherry tomatoes, yam and kale.

k) Visits

- 1) In January, teachers-in-charge and members of the Environmental and Gardening Club visited the Fruitful Organic Farm in Yuen Long. On the half-day guided tour, there was a talk on how to properly use farming tools and plant vegetables. Students had a chance to do some digging and hands-on planting in the field.

- 2) In March, Pr. 4 Gardening Club members and two teachers visited the Hong Kong Flower Show to learn more about plants and appreciate their beauty.
